Hi Jodi,

Thanks for your message, and thank you very much for trying to push the necessary paperwork through the system during the end of the fiscal year crunch. We are anxious to get the contractor working on reviewing the RI/FS work plan.  
Mark

Hi Mark,

I am working with QA today to finalize what is needed before I can send the paperwork to the CO. It is the end of the year for the CO (which is in HQ), but I am working hard to try and get this to the contractor as soon as possible. I also talked with Mike and am aware of what he is trying to accomplish at this site. I will keep you posted.

Hi Jodi,

I am the site attorney for the Anaconda/Columbia Falls Superfund Site in Montana. I understand from Mike Cirian that he was working with you to put in place contractor support for the site. As you know, Mike is out of the office until Sept 21<sup>st</sup>. I promised Mike I would follow up with you on securing contractor support. We are anxious to wrap up RI/FS negotiations in the near future, and contractor support will facilitate that goal. I would greatly appreciate it if you would give me a quick update on where things stand by email or phone.

Thank you.
